Case No. 17-CV-191-JDP

Dear Courts,

MR. Byrd recieved a letter from the courts advising MR. Byrd to send his request for medical records directly to the defendants attorney at, 150 South Fifth Street, Suite 1700, Minneapolis, MN. 55402. MR. Byrd did send his request to this address provided by the court.

However, MR. Byrd's request for medical records to the defendants attorney was returned to MR. Byrd as undelivered on 2/26/18 because the address provided by the court to MR. Byrd was incorrect. MR. Byrd has sent the returned envelope to the court as evidence to support his claim. On 2/26/18 MR. Byrd has found the correct address to the defendants attorney, and resent his request for medical records.

MR. Byrd finds that this misinformation may hinder him from receiving medical records needed for discovery in order to respond to Summary Judgment and that it could also hinder the defendant the time necessary to respond to MR. Byrd's request before MR. Byrd's March 15, 2018 deadline.

MR. Byrd wanted to bring this issue to the courts attention and ask the court to allow more time for defendants to obtain these records as part of MR. Byrd's discovery request if necessary, or allow MR. Byrd to submit them as part of discovery and his response to Summary Judgment after he receives them from the defendant.

Dated: 2/26/18

Signed: Lewis Byrd
